

NIŠ & DEVIL'S TOWN

Visit Emperor Constantine's birthplace Niš and one of the nominees for the New World's Wonders of Nature – Devil's Town!

Pickup at hotel at 7 am. The first stop on this tour is the city of Niš, 240 km away from Belgrade, once known as Naisus, one of the oldest cities in Europe and long considered a gateway between the East and the West. It is also notable as the birthplace of Constantine the Great, the first Christian Roman. Exploring city streets, enjoying the spirit of South Serbia and optionally trying traditional food from this region. The next stop is Čele Kula – tower made of the skulls of Serbian fighters who rose up against Ottomans in 19th century and paid the ultimate price. Visiting Concentracion camp from World War II and learning about its victims. Lunch break in Nis. Finally, the tour continues to Kursumlija, and leads to "Devil's Town" – New Seven Wonders of Nature nominee! It is located in the South of Serbia, 89 km southwest of Niš and 288 km away from Belgrade. This natural monument is comprised of two natural and rare in the world phenomena: the soil figures, as specific forms of relief which appear rather attractive, and two springs of extremely acid water with high mineralization.
