

UVAC NATURE RESERVE

Explore the non-touched nature of Special Reserve of Nature Uvac and enjoy the most beautiful view ever!

Pickup at 6 am at hotel and transfer to the Special Reserve of Nature Uvac, 250 km from Belgrade. It is considered the most beautiful nature attraction in Serbia. Since it is not frequently visited by tourists, this peaceful reserve with non-touched nature is a perfect place to find inner peace. Cruising along the Uvac lake for 4-5 hours (with several breaks) and learning about protected species of this area. The first short break for watching Griffon's nests. It is the most significant among protected species in the reserve. With its 3 meter wingspan, it is considered the biggest bird in our country. Watching these magnificent birds flying around during the cruise is unforgettable experience for every visitor. The second break is at the beginning of hiking trail to the viewpoint with spectacular view to the Uvac meanders. Climbing up the hill lasts approximately 30 minutes and hiking shoes are recommended. After a break for taking photos at viewpoint, climbing-down and embarking the boat again. Boat ride continues to the Ledena (Ice) cave, that is the part of the longest cave system in Serbia. After walking through the cave and enjoying its beauty, embarking on the boat and return to the starting point. Lunch break. Arrival to Belgrade late in the evening.
